Attempt All the Questions. Read Source A to answer 1(a) and B to answer 1 (b).

SOURCE A

There are few figures in history as controversial as Robert Clive. Some people described him as a soldier of initiative, courage and determination. Other people saw him as reckless and unprincipled, a rebel expelled from several schools for bad behaviour. They said his victories at Arcot, Calcutta and Plassey were all the result of lucky gambles that put his men in unnecessary danger. It was also said that Clive used tactics that were sly and against the accepted codes of battle. Clive was also described as cruel, lacking in morality and greedy for personal wealth.

Adapted from an article in a British newspaper published in June 1988.
